North Peace Secondary School Students Showcase Their Talents

Students from NPSS gathered in the gym on Friday to showcase their talent's before leaving for their winter holiday break. It was amazing to see how talented the students at NPSS are! Below are just a couple of the talented performers.

Skiing at Powder King

The school offered a trip for all interested skiers and snowboarders to the Powder King Ski Resort. 60 students went on the trip. It was a beautiful day for skiing. We arrived at around 11 AM and got all our gear. It was a lot of fun to ski down the mountains. <http://bit.ly/ziVIVg>

International Students Participate in Winter Ice Carving Festival

International Students from North Peace Secondary School participate in the city's Ice Carving Festival this week. Bonita Lampman, Irv Brockson, and Sonja Butts (judges from the High On Ice Festival) came to North Peace Secondary School to help

the students bring their designs to life. For many students this was their first time Ice Carving. All the students had a great time. It was a wonderful opportunity to meet some new friends and have a lot of fun. Watch what students had to say! <http://bit.ly/xvYzKS>

NORTH PEACE SECONDARY'S EXCITING NEW CAMPUS Watch the video and check out our Energetic new campus <http://bit.ly/lymgWdE>

STUDENT BLOG Sholola Oluwafunmito is a monthly blog on her experiences as a secondary school student in School District #60 <http://bit.ly/A79VsU>

URBAN SYSTEMS HELP WITH UNIVERSITY PLANS Community experts meet with students to learn about careers. <http://bit.ly/AjsNqh>

The Peace River North School District

is located on the eastern side of the Rocky Mountains in northern British Columbia. We are a small friendly community, blending distinct provincial perspectives of two strong provinces, Alberta and British Columbia. Fort St. John, known as the Energetic City is the home of world champions in leading sports and now the home of the Pomeroy Center. This facility, a world class venue for sports training and community events, is one of the largest wood built complexes in the world. The Peace River North School District is proud to announce that, this facility will house educational services including an expansion to the International Program.
